Which battery chargers are available in the UK?

Next day delivery, Saturday delivery and free delivery options are available with us within the UK. County Battery stock battery chargers and connectors from the world's leading brands including Fuller, Exide, InFapower, Maypole and Yuasa. All these manufacturers produce quality battery chargers and connectors.

What is a battery connector?

Battery connectors have colour-coded housings and mechanical keys to prevent two different voltage colour-coded housings from mating. The battery terminals are designed to fit either positive or negative battery posts. They're end-to-end stackable with contacts made from various metals and they offer a high cycle life. Why use battery connectors?

Where can I find the best battery connectors?

We offer an extensive selection of quality battery connectors and other accessories both online and in our shops. With over 40 years' experience with batteries, County Battery offers you the best, with an extended range of batteries from reliable and trusted battery brands such as Maypole and Fuller.

Who makes the best battery chargers & connectors?

County Battery stock battery chargers and connectors from the world's leading brands including Fuller, Exide, InFapower, Maypole and Yuasa. All these manufacturers produce quality battery chargers and connectors. We promote a 'Buy Quality, Buy Longevity' as opposed to a 'Buy Cheap, Buy Twice' motto.
