

Is the warranty still valid after the new energy battery is replaced

Does the warranty cover GivEnergy battery storage?

In a nutshell, the warranty covers any GivEnergy residential battery storage system installed from 11/09/2023- no matter which specific battery and inverter model are fitted. What products does the warranty not cover? Different warranties apply for: Please see product datasheets or refer to any existing warranty documents for details.

Should you replace an EV battery out of warranty?

If you find yourself in the unfortunate position of having to replace an EV battery out of warranty, it'll likely cost a great deal. However, since EVs are still relatively new, few batteries have been replaced outside of the standard eight-year warranty.

How long do EV battery warranties last?

However, most EV battery warranties come with an important caveat; the maximum charge capacity of the battery can fall to a certain percentage in those eight years, without it being considered broken. This is usually pegged at 70 percent.

Does GivEnergy come with a 12 year warranty?

We've recently announced some game-changing news: all GivEnergy residential battery storage systems fitted as of 11/09/2023 will come with an industry-leading 12 year warranty. You'll no doubt have questions about the finer details of this new policy change. So, we've put together a handy FAQ to answer those questions for you.

Are batteries covered by a warranty?

Batteries used in a commercial or professional application, such as taxis, driving instructors, emergency services, works vehicles, etc., are not covered by the full term of the warranty but instead come with a 6 month warranty. How does the guarantee work? The guarantee covers any manufacturing defects which arise within the guarantee period.

Is the GivEnergy extended warranty obsolete?

The GivEnergy extended warranty is now obsolete for all new systems commissioned from today. (All existing extended warranties will of course be honoured.) Plus, in line with this transformation, a new RMA process will be announced shortly. We're 100% committed to quality, durability, and satisfaction.
