

# Rooftop solar removal compensation scheme

Are solar panels a free rent a roof scheme?

Thank you for your understanding. We had solar panels fitted in 2012 from Homesun under the free rent a roof scheme. They are now administered by Anesco we believe. We want to sell our house in the next couple of years and realise just how difficult it will be.

What happens if I remove my solar panels?

Important: If you remove the solar panels they'll no longer be eligible for the FiT scheme or FiT payments. Please also be aware that the panels can't be transferred to another site and be eligible again for the FiT scheme. 1. Written confirmation from the installer/decommissioning certificate. 2. Photographs of the site and dismantled equipment.

How many homes have a rent-a-roof solar panel scheme?

While the Feed-in Tariff was in effect, more than 900,000 homes in the UK had solar panels installed - so we can estimate that around 27,000 households signed up for a rent-a-roof scheme. What were the problems with rent-a-roof solar panel schemes?

How do rent-a-roof solar panels work?

Rent-a-roof solar panel schemes required homeowners to give a solar company the rights to their rooftop or the airspace above it for up to 25 years. That company would then install rooftop solar panels for free, in return for receiving the household's Feed-in Tariff payments.

Are solar panels a rent-a-roof?

If they are part of a rent-a-roof scheme, you will need to check the lease deal before you try to remove them or sell them on. The above posts are making the assumption they are solar PV panels - i.e generate electricity. They could of course be solar thermal panels - i.e heat hot water. They also will have very little value.

Will homeowners be able to install rooftop solar panels more easily?

Homeowners will be able to install rooftop solar panels more easily without costly planning delays. This was published under the 2022 to 2024 Sunak Conservative government Homes and businesses will be able to install rooftop solar panels more easily, under new rules announced today.
